

YOU HELPED MAKE IT POSSIBLE.

Dear Nokota Friend,

Just before the frost we asked for your help in securing the 550,000 pounds of hay needed to keep the only remaining **foundation herd** of Nokota horses alive through the winter - and **you did it**.

Before Christmas dinner was set on tables across the nation, we secured all the hay we needed for the bitter winter. Your help came in droves and guaranteed the support we needed in helping to keep part of America's living history strong for another winter season - but their fight, and the brutal North Dakota winter, rages on - often until May.

THANK YOU.

**YOUR SUPPORT THIS WINTER WAS CRUCIAL
AND WE WOULD NOT HAVE MADE IT WITHOUT YOU.**

**WITH YOUR CONTINUED SUPPORT,
WE CAN ENSURE THE HERD'S SURVIVAL.**

YOUR HELP MEANS SO MUCH.
